

# SEMIANNUAL PUBLIC MEETING

Thursday, October 29, 2020

6 – 8 p.m.

We invite you to attend this joint meeting hosted by representatives from the U.S. Department of Energy (DOE) and its management and operating contractor for Sandia National Laboratories (SNL), as well as Kirtland Air Force Base (KAFB). The purpose of the meeting is to provide information and updates about our environmental programs.

In light of coronavirus concerns, this meeting will be held virtually using a platform provided by KAFB and the Air Force Institute of Technology. Attendees will need to download the free Adobe Connect software to join the virtual meeting. We suggest this be done in advance of the meeting, as it may take some time. The software can be downloaded at <https://helpx.adobe.com/adobe-connect/get-started.html> Attendees may also join the virtual meeting using the following internet connection: <https://ceschool.adobeconnect.com/afcec/>

The meeting agenda is attached to this notice. Presentations can be reviewed in advance at: [https://www.sandia.gov/about/environment/environmental\\_management\\_system/index.html](https://www.sandia.gov/about/environment/environmental_management_system/index.html), follow the Public Meeting link on the left of the page. KAFB presentations can be found at <https://www.kirtland.af.mil/Home/Environment/>

We encourage questions and recommend submitting them in advance by email. The questions will be prioritized and will be addressed as time permits. Attendees may also ask questions via chat during the meeting, and those will be answered as time permits. Emailed questions that are not addressed during the meeting will be answered by email following the meeting. To submit a question, please send an email to Dave Rast (DOE) or KAFB Public Affairs (emails listed below). Please include **2020 Public Meeting Question** in the Subject line.
